

**Not having
to read a
resume:**

**Good user
experience.**

WHICH IS WHY

You should hire me.

My name is Sonia and I'm a user experience expert based in Bozeman, Montana. As awesome as not reading resumes is, I'm sure you'd like to know a little more :

UX Consultant | FasDraft *Dec 2018 - Mar 2018*

Created workflow mocks for the product and coded the front-end of the web portal.

UX & VxD Contractor | Workiva *Mar 2016 - Jan 2018*

Handled overflow work, whatever was needed, across the UX and VxD teams.

Help System Consultant | Printing for Less *Jan 2016 - Oct 2016*

Wrote, structured, and coded help content for a new API system.

UX Designer | Workiva *Jun 2012 - Apr 2015*

Improved complicated legacy area of the product and evangelized analytics tracking.

UI & Graphic Designer | Oracle (RightNow) *Aug 2009 - Jun 2012*

Reskinned product and aided in the rewrite. Managed a design intern.

Graphic Design Manager | Dayton Chamber of Commerce *Feb 2007 - May 2008*

Handled all printed material and website design. Collaborated on brand strategy.

Graphic Designer | PQ Systems Inc *Jul 2005 - Jan 2007*

Created comprehensive packaging system for product line.

BFA in Visual Communication Design | University of Dayton *May 2005*

I HAVE A GREAT DEAL OF EXPERIENCE IN THE FOLLOWING :

Print Design / Brand Consistency / Iconography / Mockups & Prototypes
Rapid Iteration / Agile Methodology / User Research / Customer Feedback
Cross-Platform Design / Cross-Team Collaboration / Presentations / AB Testing
Photoshop Tomfoolery / Productivity Tracking Software / Front-End Development
Analytic-Based Design Decisions / Development Processes / UI Best Practices
Adobe Creative Suite / Storymapping & Brainstorming / Coffee Drinking
